Reading Room attendance	5,898
Daily average	19

While the circulation for the fiscal year ending January 31st, 1925, exceeded any previous year, the year just closed showed a still further increase of 1,409. In this connection it is interesting to compare the circulation of our Library with that of Libraries in some of the other towns of the State, as shown by the following figures:

<i>Town</i>	<i>Income</i>	<i>Population</i>	<i>Hours Open</i> <i>per Week</i>	<i>Circulation</i>
Hinsdale	\$1,585.63	1,773	21	20,084
Charlestown	1,224.14	1,505	10	8,403
Farmington	3,204.14	2,461	13½	12,138
Gorham	1,527.01	2,334	15	18,980
Hampton	1,225.19	1,251	10	9,014
Henniker	1,467.31	1,344	18	11,872
Lincoln	1,550.00	1,473	18	10,938
Pittsfield	1,997.05	1,914	18	18,741
Tilton	2,756.33	2,014	18	12,814
Warner	1,351.58	1,051	10	6,924
Wilton	2,656.29	1,546	16½	11,433

The total income for Library use, as stated above, was \$1,585.63, including the Town Appropriation of \$1,100. The balance is made up of \$17.00 interest on Liberty Bonds, \$49.64 interest from Stearns, Jones, Bowker Trust Funds, and \$418.99 interest from the Amidon Trust Fund. With reference to the latter item, the will of the late Mrs. Amidon specifically states that the interest from the Trust Fund created by her for the Library should be used only in the purchase "of books of reference or books of a similar nature useful in the education of children." By the terms of this bequest no part of this interest can be used to purchase adult fiction, and the Board of Trustees has been particularly careful to see that these terms have been carried out.

The usual course of Vacation Reading was held during the summer and was attended by 26 children, of whom 14 completed the course and received books as prizes.

Good Book week was observed in the same manner as in preceding years.

During the year there were 82 new registrations entered on the records. This is very gratifying; as it shows that increased use is being made of the Library.

Our Librarian attended the State Library meeting at Laconia in October and received a certificate of honorable mention for her work in the Library during the past year. She also was appointed the leader of the Cheshire district of Libraries for the next year.

As shown by the Treasurer's report, printed elsewhere, the balance on hand as of February 1st, 1926, amounted to \$1,082.93, consisting of Liberty Bonds \$400.00 (par value) and interest \$17.00, Amidon Trust Fund \$473.73, Stearns Jones Bowker Trust Funds \$136.99, Petty Cash \$52.91, balance from Town Appropriation \$2.30.

Respectfully submitted,

Board of Library Trustees.

## REPORT OF THE CHAIRMAN OF THE NURSING COMMITTEE

To the Selectmen and Citizens of the Town of Hinsdale:

The appearance of the appropriation of \$1500 for Red Cross nurse in the budget, shows that the Town has made up its mind that this is one of the necessities of the Town.

Miss Ruth Langille, R.N., took a special course in Public Health Nursing at Simmons College from January until June. The nursing care visits for 1923 were 510; 1924, 1040; 1925, 2002. During the month of December, 1925, Miss Langille made 421 calls.

The article in the warrant asking for an appropriation of \$700 for a car for the nurse was put in for the reason that Miss Langille has been using her car in the performance of her duty since November, 1923, free of charge—this being a saving of the nurse's time and endurance.

Respectfully submitted,

EVA N. FAY,  
Chairman of the Nursing Committee.

## EDUCATION

JUDGE ELBERT H. GARY

A city and a nation are what the citizens make them. Their individual opinions and efforts are reflected in the standing and rank of the nation and state and city or village.

After all is said it will be conceded that the strength, character, reputation and influence of a nation depend upon the education of the citizens. Education goes hand in hand, in support, and as a part of religion and piety.

Ignorance breeds crime, cruelty, dishonesty, disease and poverty. It results in suffering, decay, destruction and obliteration.

Everything that is done or said in favor of better and still better education is a step toward God and country and humanity. In self-defence, for the protection of life and health and happiness, the people must be educated.

The nation that is best educated in all respects will be the safest and happiest location for residence, and it will succeed in all contests with others for supremacy.

## HEAD MASTER'S REPORT

To the Board of Education and Citizens of the Town of Hinsdale :

The enrollment of the Hinsdale Jr. Sr. High School this year is as follows :

### SENIOR HIGH

	Boys	Girls
Seniors	0	5
Juniors	3	7
Sophomores	6	4
Freshmen	5	12

### JUNIOR HIGH

1	13	15
2	15	12

The attendance for the first 18 weeks has been 97.3 per cent in the Senior High and 88.8 per cent in the Junior High.

The pupils whose attendance has been perfect are as follows :

Charles Beals	Edward Major
Hortense Brooks	Helen Place
Elizabeth Fales	Margaret Wilkins
Hattie Freeman	Sylvia Pickett
Villa Howe	Charles Bishop
Richard Laffond	Lucy Sadowski
Mildred Bouillard	Tony Sadowski

Ellen Podmore  
 Maxine Lockwood  
 Ernest Gould

Dorothy Lacy  
 Austin Smith  
 Ernest Gillis

Those who have not missed a session but who have been tardy are as follows:

John Meany  
 John Mannis

Douglas Dube  
 Leonard Waters

The new additions to the faculty this year are Miss Virginia Folsom, a graduate of Smith College, who is teaching Mathematics, Stenography and Typewriting; Miss Alice Meeks, a graduate of Mt. Holyoke College, is teaching English, and Miss Katherine Stockwell, a graduate of Middlebury College, who is teaching French and Latin.

The school work is progressing smoothly under the able leadership of Supt. W. H. Douglass, and the Headmaster feels that we have more boys and girls in school this year whose scholastic aims are serious than at any time during the past four years. The Junior High has been stabilized and we may expect better results each year.

The Headmaster wishes to thank the parents and friends of our pupils for the generous support, both financial and moral, which they have given Hinsdale High School the past year.

Respectfully submitted,

WILFRED G. BODINE.

## SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I submit, herewith, my first annual report. This is necessarily brief, as I have had only a single semester in which to observe and study the problems. I found your schools in excellent condition with a staff of teachers better than the average. I have been very favorably impressed with the fine spirit of co-operation manifest on the part of your Board, the citizens of Hinsdale, and the teachers and pupils. This is evidenced by the interest taken in the Parent-Teacher Association and was shown again when during American Education week many parents visited the schools, 83 having visited the High School for an evening session.

*Buildings and Grounds.* The buildings are all in a good state of repair. A wire fence was placed around the school plot at the Monument Schools, which adds greatly to the appearance and is a source of protection to the pupils when at play. When the lighting in this building is improved, as we plan this next summer, this building will meet the requirements for a standard school. The most serious problem to consider under this head is the overcrowded and unsatisfactory conditions existing at the Bridge Street School. I believe that when the citizens fully appreciate these conditions, they will take steps looking toward a suitable and permanent solution. I urge all parents and patrons of the schools to post themselves fully as to the conditions. To that end I would call your attention to some of the worst of the conditions.

1. The inadequacy of the playground facilities for a group of over 200 children.
2. Inadequate and unsuitable toilet facilities, with dark and narrow approaches, so narrow in fact that traffic is possible only in one direction.
3. No adequate system of ventilation.
4. Insufficient corridor and cloak room space.
5. Improper and insufficient light in all rooms.
6. Two rooms now very seriously overerowed and one having no exit except through another room.

Along with this problem should be considered the very awkward arrangement of having a third grade class housed in the high school building, and the present overcrowding of the Junior High School rooms, which will be worse in the very near future.. My own belief is that the solution lies in the erection of a modern and up-to-date six-room elementary school building, and I believe that is what you will do when you fully understand the situation. I hope, therefore, that you will give serious consideration to the article in the warrant to select a committee to thoroughly study this problem and report their findings to you.

*Health.* I would call your attention to the report of the physical examination found on another page. Each year the children are carefully examined by a physieian and notices sent to all parents whose children are found to have physical defects. And yet we have 222 children with defective teeth, 153 with diseased tonsils, 105 undernourished and 29 unvaccinated. These defects not only seriously affect the general health of the children, but also since a healthy mind is only possible in a healthy body, the

efficiency of the schools is directly affected. I know of no better way to improve the schools than to improve the physical condition of the human material we have to work upon. I want to urge upon all parents to consider carefully the notices sent out and in every case to consult your family physician or dentist, as the case may be. I am even considering the advisability of suggesting a dental clinic in the schools this spring.

The work of the schools is well up to reasonable standards in the various grades and I am sure with a new building such as I have suggested and with greater attention to the removing of remedial physical defects the schools will attain a degree of efficiency you have not experienced before.

In regard to the matter of vaccination, I wish to call your attention this early to the fact that no child will be admitted to the first grade next September who has not been vaccinated or has a regular certificate of exemption.

In concluding this brief report I wish to express my very deep appreciation to the members of the School Board, to the teachers and pupils, and to the citizens of Hinsdale for their splendid support and co-operation in the administration of the schools.

Respectfully submitted,

WESLEY H. DOUGLASS,

Superintendent of Schools.
